STACKABLE FACE CUPS CATALOGUE 2014

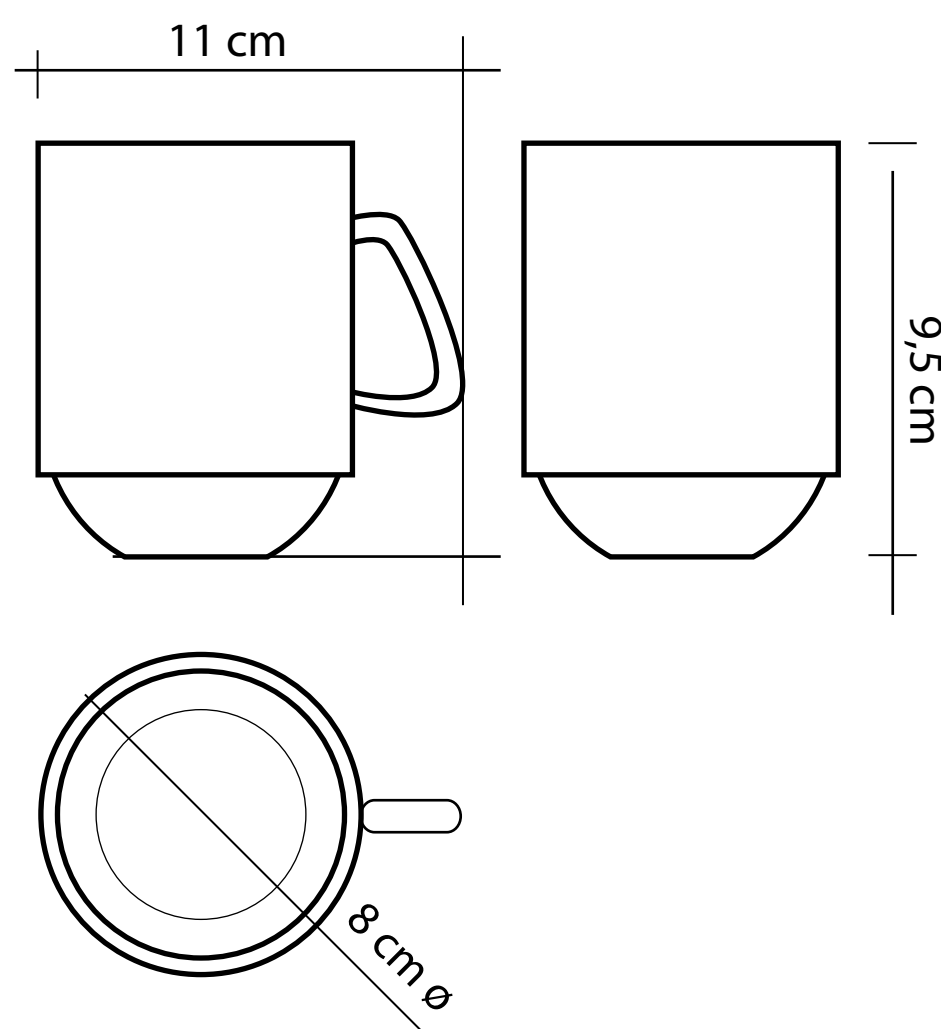

Collection of 6 stackable cups. A setting of three pairs of male and female faces that can be mix and match each other.

The concept idea of iuLieL cups comes from Sicilian pottery based in Caltagirone, South Italy. One of many legends about these pots familiar to us under the name 'Teste di moro' (Arab faces) tells about clandestine lovers during the Arab invasions of Sicily.

When the lovers were discovered, they were beheaded and their heads hung on balcony to discourage loves between different races or religions. In memory of lovers like them, also iuLieL face cups want tell you about love stories and freedom.

Designed with a simple, clean shape these mugs are stackable design also helps maximise storage space. They are made from fully vitrified porcelain with rolled edges, which gives heat and shock resistance, as well as high glaze of decal decoration. Safe for food use, dishwasher, microwave safe.

Colección de 6 tazas apilables. Un juego de tres pares de cabezas femeninas y masculinas que se pueden combinar a gusto propio.

Nueva interpretación de las famosas macetas sicilianas de Caltagirone llamadas 'Teste di moro'. Una de la muchas leyendas, cuenta de dos enamorados clandestinos durante la dominación árabe en la isla de sur Italia. Los dos amantes descubiertos fueron decapitados y sus cabezas colgadas en el balcón para desalentar el amor entre diferentes razas y religiones. sin embargo se convierten en objetos decorativos y funcionales, símbolo, como las tazas iuLieL, de historias de amor y libertad.

Diseñadas con una forma simple y limpia, estas tazas son apilables maximizando así el espacio de almacenamiento. Hechas en porcelana blanca con bordes redondeados y reforzados para resistir mejor los golpes. Decoración mediante serigrafía vitrificada, aptas para el consumo de alimentos. Se pueden utilizar en horno microondas y lavavajillas.

Collezione di 6 tazze impilabili. Un set di tre paia di teste maschili e femminili che possono essere abbinare tra loro a proprio gusto.

Reinterpretazione dei famosi vasi siciliani di Caltagirone. Una delle varie leggende in circolazione sull'origine di questi vasi, conosciuti con il nome di 'teste di moro' narra di un amore clandestino tra due giovani di diverse razze, durante la dominazione araba in Sicilia. I due amanti scoperti furono decapitati e le loro teste appese al balcone per scoraggiare il sorgere di relazioni amoroze tra diverse religioni. Le 'Teste di moro' si sono invece convertite in oggetti decorativi, carichi di simbolismo che come le tazze iuLieL, ricordano e raccontano storie d'amore e libertà.

Dal design semplice e pulito queste tazze sono pensate per essere sovrapponibili aiutando così a ottimizzare lo spazio di stoccaggio. Realizzate in porcellana bianca con bordi arrotondati e rinforzati, vengono decorate mediante serigrafia e vetrificate per garantirne l'uso in forno a microonde e lavaggio in lavastoviglie. Idonee per uso alimentare.
